Absolutely Wayne. The modifications on the maps in the R2P2 were requested by the BLM. I count seven (7) maps in the MRP that will require the mine plan modification.

Thanks for the 'heads-up'

Gregg,

I talked with Stan Perkes and we compared mine maps for the North Lease. The mine maps that we have are different than those that the BLM has as part of the R2P2. Please include a copy of the update mine maps in you submittal.

Wayne
